

PYREE VILLAGE ART & HANDMADE MARKET

Welcome to all stallholders, old and new.

We trust this information will assist us all in having a happy and productive day at beautiful rural Pyree.

- New stall holders should see the market co-ordinator before setting up their stall
- No commercially produced or second-hand products are to be sold – this is a Council requirement and is the basis of our 'Arts & Crafts & Handmade' title.
- If you are selling a new item or line of goods, please advise the market coordinator as this information is useful in advertising and when booking new stalls.
- The advertised times for the market is 9am through to 1.30pm unless weather conditions dictate otherwise. Please DO NOT pack up prior to 2pm as this discourages buyers.
- Cars and trailers must not be brought into the sales area until the market coordinator gives the 'all clear'. If there are still buyers in the area, we must wait until the area is cleared. Drivers will be responsible for injury and damage.
- Pyree can often be very windy – please be sure that your shade structure is very secure.
- If bad weather is evident, a decision to cancel will be made at 6.30am on the day. Site fees will be charged after this time regardless of the need for a later cancellation. If the weather looks inclement in any way, potters suggest stallholders check the Facebook page https://www.facebook.com/Pyree-Potters-Art-and-Craft-Market2343413912596635/?ref=page_internal where cancellations will be posted as early as possible.
- All stallholders with allocated sites are to be setting up by 8am or they will lose their site for that market.
- Stallholders must have their public liability insurance with them at all markets.
- We would appreciate if you would take home any amount of large rubbish with you as we do not have a garbage service here.

Please advise the co-ordinator of your intentions for the next market.

Have a happy and profitable day.

Please contact Michael if you have any queries.

Michael Doherty, Market Coordinator - 0418 223 220
